

Consent to Use of Data –Software Analytics

You are informed and, by using this service, agree that Alientech S.r.l. (hereinafter "Alientech") may collect and use technical and related information, in particular (including but not limited to) technical information about your computer, system and peripherals used. These data are periodically gathered to facilitate Alientech the provision of software updates, product technical support and other services (if any) related to Alientech Software and Product, in order to improve the quality of Alientech products or to provide new services or technologies to you.

You are also informed and agree that Alientech may have access to your personal information and the way you use the Software to be able to process the requests forwarded to the Technical Support Service via the Customer Support Portal.

For more information on the use of your data, you can view Alientech's Customer Privacy Disclosure at www.alientech-tools.com.
